VARIATION ON NEUTRALS

A CONCEPT WITH AN INTERNATIONAL ALLURE

What the guest perceives of the places that welcome him is, of course, the first very important business card of any hotel or restaurant. It is the designer's task to foster the feeling of safety and relaxation that one feels when, upon entering a space, it immediately appears familiar, recognizable and therefore reassuring.

● ELY BENCH has been selected for a
LUXURY YACHT

VARIATION ON NEUTRALS

A CONCEPT WITH AN INTERNATIONAL ALLURE

This is the reason for the selection of products in this magazine, all placed on a somehow neutral background, which is fundamental to enhance the welcoming shapes and the sober elegance. Only two colors, a variation of beige and a burgundy red, which blend together perfectly in this international atmosphere, suitable for a lounge bar in the heart of Manhattan, a trendy restaurant in London or a boutique hotel in Milan
